GERMANY NEWS

Summers in Germany are busy times for both parents and kids trying to fit trips, sports, camps, and visiting relatives into the 6-week school break. There's a Christian camping group that sponsors camps for younger children and camps for 13-16-year olds. This summer the latter group is reaching over 600 teens, with the involvement of 120 helpers from various evangelical churches, and Bible schools.

Throughout Germany are at least 50 camps where the teens live in tents, cook over open fires, build other necessary huts, experience nature, participate in games, enjoy social activities, and have Bible studies. Advising, counseling, and conflict resolution is also provided. **Please pray for each participant and each helper involved in these Bible camps. For many teens this may be their first experience in a Christian atmosphere and their first time hearing the gospel. Pray they will recognize their need for Christ and that others will recognize their need for spiritual growth.**

NEUHOFEN CHURCH

Our church in Neuhofen is experiencing some difficult times and needs y'all's prayers. The pastor has recently informed the elders that he'll be leaving at the end of this year. **Please pray for God's leading in the search for a new pastor.** This is difficult for any church, but even more so for Neuhofen since they can only pick up 50% of his salary, with the remainder needing to be covered by outside income.

Also, there's some discord among some of the members on various topics. **Pray for unity among God's people in Neuhofen to prevail.**

We sure appreciate and y'all,

Fred & Linda McRae
